Subject : Introduction as " Structural and Civil Engineering Consultants "

Dear Sir,

This refers to our discussions with Mangesh Chavan. We have great pleasure to introduce ourselves as Civil and Structural Consultants, known as " Vadalkar & Associates ", having over 35 years of experience .Our establishment very conveniently located opposite Dadar Station (West).

We have a well-experienced design team of qualified Engineers in our office. We have very senior structural engineers as our advisers. We have successfully handled many projects to the entire satisfaction of our clients. We provide training and technical support for STAAD-Pro software package for many consultancy firms in Mumbai and work as consultants to structural consultancy firms for their software needs.

We have designed various type of structures including residential buildings, commercial buildings, industrial structures, indoor stadium , piling gantry for jetty construction We have designed recently completed Hostel 19 at IIT Bombay campus. We also undertake design review assignments.

We are extremely keen and hopeful for an association with your esteemed organization and we assure you of our most creative and efficient services at all times.

A list of some of the projects completed is enclosed herewith. A brief note on some of the projects previously handled by us is also enclosed herewith for your kind consideration.

For more information , you may visit our website www.vadalkar.com
We are looking forward to a long lasting professional relationship with your organization.
With thanks and regards.

Sincerely yours,
For Vadalkar & Associates

Hemant S. Vadalkar

Encl. : Company profile and bio-data.

VADALKAR & ASSOCIATES

* * * Consulting Civil & Structural Engineers * * *

Scope of services includes –

- **Preliminary structural design**
- **Discuss and finalize the structural arrangement in consultation with the architects**
- **Propose best possible structural arrangement and Structural Analysis**
- **Structural drawings and approx. structural quantities**
- **Tendering / Tender scrutiny**
- **Recommendations for selecting contractor**
- **Periodic site visits during construction / Repair work**
- **Certifying bills checked by the site engineer**
- **Give stability certificate for the structure**
- **Repair consultants**
- **STAADPro Software Consultants and Computer aided Structural Analysis**

PROFILE OF VADALKAR & ASSOCIATES

Company Name	VADALKAR & ASSOCIATES
Office	B-703, New Samadhan CHS, Senapati Bapat Road, Near Zarapkar, Opposite Dadar Station (W) Mumbai 400 028 Tel / Fax :- 2430 8872 E-mail : vadalkar@gmail.com Website : www.vadalkar.com
Activities of the firm	We are practicing as Consulting Structural Engineers. Our scope of service includes designing, detailing, estimating and occasional site supervision for various projects like industrial buildings, commercial and residential buildings, etc. We have software dealership for STAAD.Pro family software products. We work as Analysis consultants for various consultancy firms. We also arrange Municipal liaison works through our associates.
Manpower Resources	Key person is a structural engineer having experience in design and site work. We have very senior consultant A. B. Karnik as our associate and advisor who has more than 50 years of experience. Our current employment is two full time engineers, two draftsmen and one office assistant. We also frequently employ external draftsmen on the job basis.
Facilities:	Fully furnished office premises admeasuring @ 300 sq. ft. at Dadar and other office at Vashi. We have computers, printers and one A1 size plotter with network and e-mail facilities, Ammonia Blue Printing machine. Most of the drafting work is done on computer. We are using the most powerful Structural Analysis and Design Software Package **STAAD-Pro.** We have good library of technical journals, Engineering books and various I.S. Codes.

Name	**HEMANT SHARADCHANDRA VADALKAR**
Born	1965.
Nationality	Indian
Educational Qualifications	B.E. (Civil) – 1986 College of Engineering Poona- University of Poona. M.E. (Struct.) –1989. V.J.T.I., Mumbai. – Mumbai University.
Experience	In design since 1989.
Membership of Institutions	Member of the Institution of Engineers (India), Indian Society of Structural Engineers – President Member of American Concrete Institute - India Chapter Associate (Life) Member of the Institution of Valuers Life Member of the Practicing Engineers, Architects and Town Planners Association.(PEATA) Member of Indian Geotechnical Society, India (IGS)
Awards and Prizes	M.E. (Structures) " **Gold Medal** " for the year 1989, - University of Bombay.

Professional career

2006 onwards	**Working as Consulting Structural Engineer in the name of " Vadalkar & Associates"** **Involved in the analysis and design of high rise and complex structures. Designing various types of structures like Industrial plants, residential and commercial towers, mass housing, treatment plants, jetties, Marine works, etc. Computer analysis consultants for many projects.** **Some of the projects include Ghansoli Mass Housing project for CIDCO for 2400 tenements, Indoor stadium for Nashik Municipal Corporation, BSEL Tech Park Office building Opp. Vashi Station, Hostel-18,19 at IIT Bombay for 1100 students, Piling gantries for various marine projects for Simplex Infrastructure Ltd, ITD Cementation, Keller Ground Engineering etc.**
1994-2006	Partner in the Consulting Firm " Vartak – Vadalkar & Associates" Designed many civil engineering projects like Industrial, commercial, housing and other utility projects.
1989- 1994	Shirish Patel & Associates Consultants Private Limited, Mumbai. As a Senior Design Engineer. During these five years handled STAAD analysis, design, detailing, estimating and occasional site supervision for various projects such as:. 1) Various small housing units, office and /or residential apartment Buildings. 2) RCC Railway station buildings-cum-shopping complexes at New Bombay, namely Juinagar, Nerul and Sanpada. Subways,

Pedestrian bridges and road bridges around the stations.

3) Industrial Complex at Pithampur – Industrial sheds, Gantry Girders, Machine foundations, office buildings, etc. for Larsen & Toubro Limited, Indore.
4) Kokan Railway Corp. Ltd. : Wayside railway station buildings and housing colonies.
5) New MLA's Hostel at Bombay – Analysis and occasional site supervision for high – rise buildings (19 storey).
6) Powder plant building of the National Dairy Development Board, at Gandhinagar for L & T Ltd.

1986-1987

Dharamsi Morarji Chemicals Co. Ltd. At Ambernath. Supervised The construction of 36 Mt. High Silo. Design and Estimation for the extension of factory buildings. Site Engineer for the construction of new plant at Dhari (Amreli) in Gujarat State.

Computer Programming

Developed Engineering Analysis and Design programmes for in-house use in the design office using Fortran, C, Spread sheets.

STAADPro training

Conducted various seminars and technical training programs for various professionals and consulting engineering firms on the STAADpro software since 1996.

Publications

1. Published a paper " Innovative Designs for platform covers at New Mumbai Railway stations" in the Indian Concrete Journal, May 1992.
2. Presented a paper " Designing with spread sheets on your own" at the National Seminar held at Nagpur, February 1993.
3. Published a paper on New Mumbai Railway Stations " Off the beaten track " in Indian Architect and Builder, Dec. 1995.
4. Delivered lecture at Max Muller Bhavan on Structural Damage during Gujrat Earthquake A case study for Ahemedabad City, March 2001.
5. Published various technical articles in the Journal of Indian Society of Structural Engineers and Faculty for many technical seminars.
6. Written articles on Civil and Structural Engineering in Marathi newspaper Loksatta.

Activities

Arranged many technical seminars on software tools and active participation in conducting technical seminars / workshops for The Institution of Engineers and Indian Society of Structural Engineers as a member of technical committee.. External examiner for M. Tech at Mumbai University, VJTI and SPCE.

Other training

Attended various seminars and workshops arranged by Institution of Engineers, Indian Geo-technical Society, PEATA, Indian Society of Structural Engineers, ACI (Maharashtra India Chapter), Indian Concrete Institute, ACCE, Ambuja Cements, ACC, Epicons etc to update the technical knowledge from time to time.

Languages known : English, Hindi, Marathi, Gujarati.
